

Role — Marketing

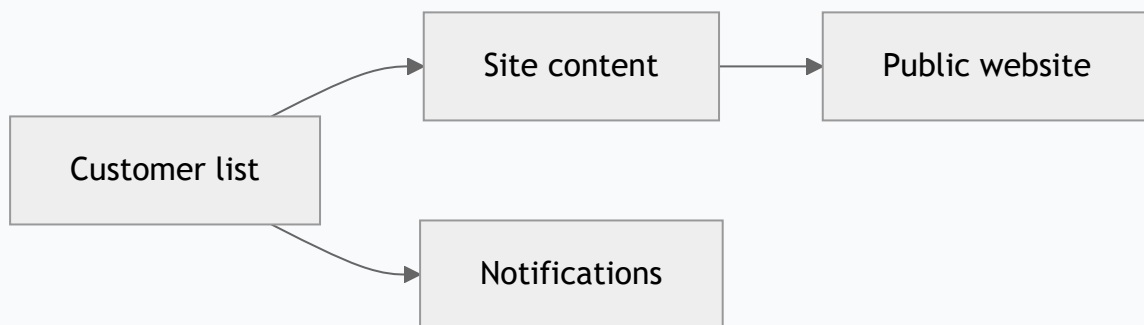

CRM, content, alerts — not payroll.

Role — Marketing

Opens first: Customer list (CRM) · **Main job:** CRM, content, alerts

Marketing tools

Demand tools only.

Stories

As Marketing

I want CRM, content, and alerts — not finance pay tools

So that I run demand without touching payroll

- ☒ Opens CRM first
- ☒ Can open content and notifications
- ☒ Cannot open POS or Finance pay tools

As Marketing

I want customer notes and site content in one place

So that floor and sales share one customer list

- ☒ CRM notes and filters
- ☒ Content / broadcast when granted
- ☒ Visit history where allowed
